The 'Email Address' field has a checkbox labeled 'Use email address as username' which is checked. The 'Password' field has a note 'Must have at least 16 characters.' Below the password field is a reCAPTCHA 'I'm not a robot' checkbox. At the bottom, there's a checkbox for 'I accept the Terms of Service and have read the Privacy Notice'. A 'Create Account' button is at the bottom center. On the right side, there's a 'Try it out!' section with the text 'Send email for free.' and a list of features: Automated drip campaigns, Password resets, Newsletters, Receipts, Delivery notifications and updates, and Promoted emails. A yellow paper airplane icon is shown flying towards the top right.
